Re: *Estate of Mohamed Bah v. City of New York, et al.*  
1:13-cv-6690-PKC

Your Honor:

We are in receipt of a letter, dated November 22, 2013, from Defendant requesting a pre-motion conference in connection with the City's request to file a motion for partial judgment pursuant to Federal Rules of Civil Procedure Rule 12(c). We are also in receipt of the Court's inquiry to the City as to why its motion should not wait until the summary judgment stage. We suggest another basis why the City's motion is premature. As the Court is aware, Plaintiff intends to file an Amended Complaint at which time new parties and claims may be included. We contacted Corporation Counsel today to suggest that the pre-motion conference letter be withdrawn since Plaintiff would be filing an Amended Complaint.

In light of the foregoing, we respectfully suggest that the conference presently scheduled for December 4, 2013, be adjourned *sine die* pending the City's response to the Court's inquiry and receipt of the Amended Complaint.

Very truly yours,

NEWMAN FERRARA, LLP
